

USA / Canada / Mexico Straight Blade Plugs and Connectors

15 Amp, 125 Volts, 60 Hz AC
NEMA 5-15, 2-Pole, 3-Wire, Grounding
NEMA 1-15, 2-Pole, 2-Wire, non Grounding

With double wipe brass contacts for maximum conductivity and blade retention. Terminal cord clamp inner assembly. To be installed and/or used in accordance with appropriate electrical codes and regulations. For rough duty grounding applications: power tools and heavy equipment. Meets National Electrical Code and UL requirements. Build-in strain relief prevents pull on wiring terminals. Used with Cord Diameter .296 to .562 inches (7.5-14.3)mm.
